

## ARCHIBUS/FM User Group Meeting – November 18th

Please join us again this year for an informative session planned for the ARCHIBUS/FM user community. Tiree will be on hand to introduce the recently launched ARCHIBUS/FM 14i web environment as well as some new product enhancements. The Tiree technical support team will have live systems set up for free “how to” training on any ARCHIBUS/FM feature or function.

### Agenda:

- User group welcome and update
- What’s new at ARCHIBUS
- Highlights & News from World Workplace 2004
- New ARCHIBUS V14 demo
- Introduction to Emergency Preparedness
- CE-Work for Mobile ARCHIBUS
- Introduction to the new Tiree “Technical Support Online” program
- 2:00PM – 3:00 p.m., open forum, free “how to” training
